#### WARNING

#### THE TOWN OF GRANVILLE ANNUAL TOWN MEETING

The legal voters of the Town of Granville are hereby warned and notified to meet in the Town Hall in said Town on Tuesday; May 17, 2022 at 6:00 p.m. to transact the following business:

- 1. To elect all Town Officers as required by law:
  - a. To elect a Moderator for a 1 year term ending in 2023
  - b. To elect a Selectperson for a 3 year term ending 2025
  - c. To elect a Town Clerk for a 3 year term ending 2025
  - d. To elect a Town Treasurer for a 3 year term ending in 2025
  - e. To elect a Third Auditor for a 3 year term ending 2025.
  - f. To elect a First Constable for a 2 year term ending 2024
  - g. To elect a Second Constable for a 1 year term ending 2023
  - h. To elect a Delinquent Tax Collector for a 1 year term ending 2023.
  - i. To elect a Third Cemetery Commissioner for a 3 year term ending 2025.
- 2. Shall the Town of Granville vote to prohibit Constables from exercising any law enforcement authority pursuant to 24 V.S.A. § 1936(a)?
- 3. Shall the Town of Granville vote to accept the budget of \$377,064.00 to meet expenses and liabilities of the Town and authorize the Selectboard to set a tax rate sufficient to provide the same?
- 4. Shall the Town of Granville vote to authorize the Treasurer to apply any surplus remaining from the Highway Budget's current fiscal year into the Highway Capital Investment Fund?
- 5. Shall the Town of Granville vote to increase the Highway Capital Investment Fund in the amount of \$6,000 for the purpose of repaying town roads?
- 6. Shall the Town of Granville Vote to increase the equipment fund for the Town. Constable in the amount of \$1,500?
- 7. Shall the Town of Granville use the Conservation Commission Capital Investment funds in line item 613 of approximately \$3,200 for improvements to the playground behind the Town Hall and/or improvements to Granville Commons?
- 8. Shall the Town of Granville borrow up to \$100,000 to be paid back in no more than 5 years, to reopen Buffalo Farm Road as a Class 3 Road?
- 9. Shall the Town of Granville vote to appropriate \$500.00 to the Corner School Resource Center of Granville VT in support of its community programs this year?
- 10. Shall the Town vote to exempt the Moss Glen Grange from property taxes for five fiscal years beginning July 1, 2022 an ending June 30, 2027?
- 11. Shall the Town of Granville vote to permit the operation of cannabis retailers and integrated licensees, subject to such municipal ordinance and regulation as the Town Selectboard may lawfully adopt and implement?

- 12. Shall the Town of Granville vote to authorize property taxes to be paid to the Treasurer as provided by law, in four (4) equal installments, with due dates being; August 17, November 17, February 17 and May 17?
- 13. Shall the Town of Granville vote that overdue taxes will bear interest at a rate of one percent (1%) per month or fraction thereof for the first three months and thereafter one and one-half percent (1 1/2%) per month or fraction thereof from the due date of such tax pursuant to 32 V.S.A. § 5136?

#### THE FOLLOWING IS AN ADVISORY NON BINDING ARTICLE:

- 14. Shall the Town of Granville vote to support the Granville Selectboard's adoption of a Telecommunications Ordinance as Recommended in the 2019 Town Plan and pursuant to 24 V.S.A. § 2291 Enumeration of powers (19).
- 15. To transact any other business to come before said meeting.
- 16. To adjourn said meeting.

#### **TOWN HISTORY**

The Town of Granville, situated in the northeastern part of Addison County, is bounded on the north by the town of Warren and a part of Roxbury; east by Braintree; south by Hancock, and west by Ripton and a small part of Lincoln. It was granted by Governor Thomas Chittenden on November 7, 1780 and chartered August 2, 1781. Many of the earliest citizens of Granville (or Kingston as it was originally known) came from neighboring towns in the late 1780s, attracted by an offer of one hundred acres to the first women and their families that would move to this Green Mountain town. These settlers, undaunted by the rugged landscape, traveled north from Hancock along a road (now VT Route 100) following the White River and soon established their farms on the rocky slopes. The small villages of Granville (now Lower Granville) and Granville Centre (now Granville village) evolved around mills on the river rapids along the valley road. The hamlet of East Granville, cut off from the rest of the town by a mountain ridge, developed on the Vermont Central Railroad line after its construction in 1849. At one point in time there were ten school districts, each with its own schoolhouse. Population rose to a high of around 1,100 in the mid-1880s. Since then a steady decline has brought it to a low of about 200 in 1950 and a slow increase since then to a 2007 population of 287.

Granville and Lower Granville are situated in a valley through which the White River flows. The hills on either side of the valley are heavily wooded and much of those on the west are part of the Green Mountain National Forest, which accounts for 46% of Granville's total area. North of the village in the Granville Gulf, Moss Glen Falls cascades over vertical rocks, falling over 50 feet. Fewer than half of the roads of the 1880's remain in use today. East Granville, located over a mountain range, was first chartered as the town of Sandusky. The name was later changed to East Granville and was accessible by a road over Braintree Mountain. A once bustling railroad siding and manufacturing district, East Granville has been reduced to a row of houses along Route 12A with no remaining businesses. Because the road over Braintree Mountain to East Granville is now a jeep trail, a trip of 30 miles is necessary to reach that town over the Roxbury Gap road from VT Route 100 in Granville.

Vermont's rural buildings tend toward the Vermont vernacular, reflecting the working families residing in Upper and Lower Granville. Several of these, dating from 1825 to about 1865, are listed on the State Register of Historic Places. There were at one time three inns, all now private residences. Of the two churches originally built, only the one in Lower Granville remains. Constructed in 1838, it was raised in 1871 to provide another level underneath to be used as the Town Hall. Originally called the Methodist Episcopal Church, the name was changed to the Union Meeting House and today functions as the Granville Town Hall.

Three of the original ten schoolhouses remain today. Number 10 in Upper Granville Village functioned as a school until 1949, after which it was used as the town library. Schoolhouse Number 2 in South Hollow is now a private residence. Schoolhouse Number 1 in Lower Granville closed in 2009 after 158 years of continuous use. A Grange Hall was erected in 1875 and it still stands today. After the farmers of Granville formed a Grange Chapter in the Village, a small building was put up between the Union Meeting House and the school. That building became one of the first Grange stores where farmers took their produce to sell. This building also housed the Granville town hearse until 2007, when it was loaned to the Addison County Fair and Field Days to be included in their antique collection. The building was then dismantled.

**Dog Licensing:** State law requires that all dog owners license any dog over 6 months of age with the Town Clerk between January 1 and March 31 of every year. Fees are: \$8.00 for neutered or spayed dogs, \$12.00 for dogs that are intact. We need to have a copy of your dog's rabies vaccination certificate on file to issue the license. If your dog's certification expires later in the year, get your license now based on the current certification and send us a copy of the new one when you get it. Dog licenses issued after the April 1<sup>st</sup> deadline will include a \$2.00 late fee. Please visit the Town's website granvillevermont.org for more information on the Town of Granville Ordinance for Dogs and Wolf Hybrids.

**Elections:** Information on voter registration and elections is available at the Town Clerk Office or online at the Vermont Secretary of State website. Every voter has a customized "My Voter Page" at http://www.sec.state.vt.us/elections/voters.aspx

#### Selectboard Report

We want to thank Kathy Werner for her 15 years of service to Granville as our Town Clerk and Treasurer. These positions are constantly being updated with new technology and requirements. Kathy has done an incredible job and has earned a well-deserved retirement. Best wishes to Kathy and Steve as they spend more time with family and friends.

The Granville Town Hall Steeple has been restored by Valley Restoration of Litchfield, Connecticut. The exterior has been completely replaced with materials that should last 40-50 years. Painting will need to be done every 15 to 20 years. The nearly \$70,000 project was accomplished with a \$20,000 grant from the State of Vermont Department of Historic Preservation. The Town Hall continues to need costly maintenance. Granville really needs a historic preservation officer—any volunteers?

The Corner School, on Post Office Hill Road, had its grand reopening in August. Ron Millard has been brilliant with leading the enthusiastic board and countless volunteers to get this historic building in great condition for the future. Many grants and generous donors along with volunteer labor and reduced contractor costs have made this possible. Please read the Corner School Resource Center report in this report for more information.

The Cell Tower proposal off North Hollow Road was withdrawn, however it is expected that a more favorable site will be proposed and applied for early in 2022. The location is on the same parcel and is not as visible from North Hollow Road and apparently has better coverage through the Granville Gulf.

There are a number of large projects that Granville will be facing in the next few years. The Fire Department building is in need of upgrades. Water and sewer are needed. The historic Town Hall continues to need ongoing maintenance and upgrades. The church area on the second floor needs extensive and expensive window repair. An elevator or stair chair needs to be incorporated for the second floor to be used. Ceiling work and weatherization are necessary.

Granville's population of around 300 is one of the smallest towns in Vermont. Town Government struggles to keep up with all the challenges. We contract out virtually all services provided to residents. Development regulations from the State seem to constantly change. Road requirements and grants become more cumbersome and time consuming. Please consider getting involved with the Town. There are many opportunities throughout town government that require citizen participation. We need your help.

Bruce Hyde Rachel Grigorian Jenifer Stickney

### **AUDITOR'S REPORT - 2021**

We have verified the existence of stated cash balances, inspected certificates of deposits and examined the accounts of the Granville Town Office in accordance with 24 V.S.A. Section 1681 as amended. To the best of our knowledge the financial statements and reports of the receipts and disbursements shown in this report present the financial position of the Town of Granville on June 30, 2021.

Respectfully submitted,

Robin Hagerman, 2024

Nancy Tate-Beattie, 2023

Roger Stauss 2022

#### WARNING

#### THE TOWN OF GRANVILLE ANNUAL TOWN MEETING

### March 2, 2021

The legal voters in the Town of Granville are hereby warned and notified to vote at the Granville Town Hall in said Town on Tuesday, March 2, 2021 between 7 0'clock (7:00 a.m.) in the forenoon, at which time the polls will open, and seven o'clock (7:00 p.m.) in the afternoon, at which time the polls will close, to vote by Australian ballot upon the following Articles of business:

- 1. To elect all Town Officers as required by law:
  - a. To elect a Moderator for a 1 year term ending in 2022
  - b. To elect a Selectperson for a 3 year term ending 2024
  - c. To elect a Selectperson to complete a 3 year term ending in 2023
  - d. To elect a First Auditor for a 3 year term ending 2024.
  - e. To elect a Second Auditor to complete a 2 year term ending 2022.
  - f. To elect a Second Constable for a 1 year term ending 2022
  - g. To elect a Delinquent Tax Collector for a 1 year term ending 2022.
  - h. To elect a Cemetery Commissioner for a 3 year term ending 2024.
- 2. Shall the Town of Granville vote to accept the budget of \$375,061 to meet expenses and liabilities of the Town and authorize the Selectboard to set a tax rate sufficient to provide the same?
- 3. Shall the Town of Granville vote to authorize the Treasurer to apply any surplus remaining from the Highway Budget's current fiscal year into the Highway Capital Investment Fund?
- 4. Shall the Town of Granville vote to increase the Highway Capital Investment Fund in the amount of \$6,000 for the purpose of repaving town roads?
- 5. Shall the Town of Granville Vote to start an equipment fund for the Town Constable in the amount of \$1,500?
- 6. Shall the Town of Granville vote to increase the East Granville Capital reserve fund for the purpose of covering expenses for Fire Protection in East Granville in the amount of \$500?

- 7. Shall the Town of Granville vote to appropriate \$500.00 to the Corner School Resource Center of VT in support of its opening and community programs this year?
- 8. Shall the Town of Granville vote to authorize the Selectboard to acquire a loan to assist in the payment of expenses directly related to the planned Steeple Repair and Roof Replacement projects for an amount not to exceed \$80,000 to be financed over a period not to exceed 5 years? (The Town has acquired a matching grant of \$20,000 from the Vermont Department of Historic Preservation).
- 9. Shall the Town of Granville vote to authorize property taxes to be paid to the Treasurer as provided by law, in four (4) equal installments, with due dates being; August 17, November 17, February 17 and May 17?
- 10. Shall the Town of Granville vote that overdue taxes will bear interest at a rate of one percent (1%) per month or fraction thereof for the first three months and thereafter one and one-half percent (1 1/2%) per month or fraction thereof from the due date of such tax pursuant to 32 V.S.A. § 5136?

#### THE FOLLOWING ARE ADVISORY NON BINDING ARTICLES:

- 11. Shall the Town of Granville vote to support the construction of a cell tower off North Hollow Road in Granville?
- 12. Shall the Town of Granville vote to alert residents if 5G cellular technology is considered within its boundaries?

Dated this 21 day of Jimy, 2021 Bruce Hyde/Chair - 2022 Jim Dague - 2021

Jennifer Stickney (Appointed until 2021)

Granville Special Selectboard Town Informational Meeting Minutes March 1, 2021 via Zoom Meeting ID #89083388259 APPROVED

In attendance:Bruce Hyde, Chair, Jennifer Page-Stickney and James Dague; Selectboard; Roger Stauss, Moderator; Mark Belisle, Constable; Rachel Grigorian, Stephanie Walker, Planning Commission; Robin Haggerman, Auditor; Kate Stauss, Justice of the Peace and Cheryl L. Sargeant, Clerk

Public: Robert Stauss, Diane Eramo, Ronald Millard, Corner School Resource Center of Granville, VT; Judith Wood, Dylan Kelley, The Herald of Randolph; Kim Warner, Julie Reiderer and Virginia Hadam

Call to Order: 7:00 p.m. with Bruce reading a paragraph regarding holding public meetings using video conferencing as recommended by the Vermont League of Cities and Towns (VLCT), outlining the process indicating that questions were to be answered but nothing in the Warning could be changed. He then turned the meeting over to Roger.

Roger explained that Robert would be watching the waiting room to allow participants access and that he would be following Roberts' Rules of Order allowing participants 5 minutes to ask their questions and/or comment on the Article in question. Then the Selectboard and/or other Commission would answer said question. If you have already spoken you will have to wait your turn until others have had a chance to speak.

Article 1: Election of Town Officials Roger proceeded to read the list to be elected. With there being no questions Roger asked if the persons running for Selectboard would like to speak. Rachel Grigorian experience on the Planning Commission and felt could bring a lot to the board. Jennifer Stickney resides in East Granville is currently filling in enjoyed her time and would like to continue.

Article 2: Budget of \$375,061.00 no questions were raised.

Article 3: Highway Budget surplus to be deposited into the Highway Capital Fund Kate asked why there was a surplus and what the plan was to spend the monies and/or lower property taxes. Jim indicated that it was the rainy weather over the past year that delayed projects and the money is to be spent on highways at the Selectboard's discretion sort of a rainy day fund. Kate asked about how much money was left? Bruce indicated \$31,000.00 which as indicated by Jim can only be spent on highways. Jim is hoping that there would not be a surplus by the end of the fiscal year.

Granville Special Selectboard Town Informational Meeting Minutes March 1, 2021 via Zoom Meeting ID #89083388259 Page 2

Article 4: Repaying \$6,000.00 Capital Fund – no questions were raised.

Article 5: Equipment Fund for the Constable in the amount of \$1,500.00. Julie Reiderer asked if this was for any particular equipment in mind? Mark indicated that it would be used for radar, video and radio equipment when they no longer work. He would continue to apply for grants to help offset the costs.

Article 6: East Granville Fire Protection Fund in the amount of \$500.00 Jim explained that it is reasonable to have incase there is a fire to help pay the Randolph Fire Department for mutual aid. Mark indicated that the fund was started when there was a forest fire and the Town paid a huge bill. Jim asked if there was a mutual aid agreement in place with Cheryl indicating there was and it should be on file.

Article 7: Support of The Corner School Resource Center Roger asked if the president; Ronald Millard (non-voter) would like to speak. Ron indicated that there is a typo in the Article adding that the correct title of the organization is "Corner School Resource Center of Granville, VT". The name "Granville" was left out of the original warning.

Ron indicated that on August 15, 2021 they are planning an opening celebration and having an historic marker placed. Bruce thanked Ron and all of his volunteers for all of their hard work to make this happen.

Article 8: Steeple and Roof Repairs \$80,000.00 Bruce explained the project and that the Town has received an Historic Preservation Fund grant for \$20,000.00. Virginia inquired if there were other materials to be used to make the work last longer. Bruce explained that Historic Preservation does not allow composet woods and/or plastic. Kate would like to know how much has been spent on repairs over the last 20 years and if it is feasible to have the spire and in the future look at other options.

Granville Special Selectboard Town Informational Meeting Minutes March 1, 2021 via Zoom Meeting ID #89083388259 Page 3

Article 9: Property Tax Installments; August 17<sup>th</sup>, November 17<sup>th</sup>, February 17<sup>th</sup> and May 17<sup>th</sup> – no questions were raised.

Article 10: Delinquent Property Taxes interest rate of 1% first 3 months and 1 1/2% per month or fraction there of from the due date – no questions were raised.

#### ADVISORY NON-BINDING ARTICLES:

Article 11: Support of the construction of a cell tower off of North Hollow Road. Mark indicated there was an accident over the weekend and if the tower were up the people involved would be able to call for help. Judy spoke of the drive test results on page 4 dated 1/12/21 and then read a page describing the ranges for signal strength. Red is marginal, black no signal, blue and green acceptable. Most of the Gulf is red and black with a few yellow, 3/10 blue and yellow acceptable to problematic. The voters need to decide if it is necessary. Mark asked if the map is based on the new tower or the current tower. It was stated that it was probably the current tower. Bruce indicated that this is under Advanced Notice and the Town is in the process of getting more information and the State is assisting in getting those answers. A second public meeting will be scheduled after DPS issues an independent report on signal strength. The formal permit can be filed after March 11 at the conclusion of the Advance Notice period.

Article 12: Alert the residents if 5G is to be installed. Bruce indicated that the Town of Rochester started this article and doesn't feel that it will happen in the area. Judy indicated that 2 years ago alerted to 5G and doesn't think the Selectboard will be notified and it is a concern of hers. Kate feels that it is the Selectboard's responsibility to notify its residents of potential hazards. Rachel wondered if the Town was overstepping by getting involved in a private and commercial transaction. Bruce was not sure. Stephanie felt that it is a way to protect the community. Robin asked if the Town receives notifications on the current cell tower. Cheryl indicated that yes the landlord, Town and State receive notification in advance of any work to be done. Judy indicated that the Town and adjoining property owners have rights.

Granville Special Selectboard Town Informational Meeting Minutes March 1, 2021 via Zoom Meeting ID #89083388259 Page 4

### Article 12: (continued)

Rachel thanked everyone for their time. Roger thanked Jim for his years of service not only as Selectboard member but for his other years of service in other official capacities. Kate and Cheryl thank Robert for his time this evening.

Mark indicated that according to his E911 map Randolph Fire is called whenever there is anything happening in East Granville.

Bruce made the motion to adjourn the meeting and Jennifer seconded. All in favor.

Respectfully submitted, Cheryl L. Sargeant Selectboard Clerk Town of Granville Building and Grounds Report
Mark Belisle
95 Middle Mountain Drive
Granville, VT 05745
(802) 767-4154

Greetings Granville,

Another great year in the hills of Vermont. This year with all the hard work of Bruce Hyde and others, we were able to get the steeple repaired. It is looking better than ever at a reasonable cost. In addition, we are going forward with replacing the roof on the town office and connector. We are planning on replacing the roof with Standing seam like the town hall has. This will help prevent snow buildup and maybe less damage to the back side of the building. We had hoped to have this done already, however the Covid issue has slowed many projects down. We also should think about what can be done to the Church section of the Town Hall to make it usable again. There is some roof structure concerns and handicap access and general repairs.

We needed to increase the building and grounds budget this next year to upgrade the ramp access to the town hall to meet requirements and the brick sidewalk will need some attention.

In addition, we need to do some work around the swing set area and to meet safety concerns produced by our insurance carrier.

If not already in place, there will be no parking signs place at the Town Hall and Post Office to restrict parking from 10pm-6am. The ordinance was past some time ago due to problems with snow removal.

Thanks once again to Steve Twitchell and his crew for keeping the Lawns looking good.

Also, thank you Travis Turnbull for keep the sidewalks clear in the winter.

As always, we welcome input of concerns or suggestions for all of the town's property. Feel free to reach out to me or any of the selectboard members.

Mark Belise

**Building and Grounds Manager** 

Town of Granville Constable Mark Belisle 95 Middle Mountain Drive Granville, VT 05745 (802) 767-4154

Greetings Granville,

First of all, let me say it has been a pleasure to be the Constable for Granville for more than 30 years. I started in 1985 and was Constable for four years before I went Active duty in the Army. Returning in 1992 as the Constable again and have been since. Many things have changed since my beginning. Not all for the better. It has been brought to my attention a small group of people have decided they do not Need a Constable and signed a petition for a warning article to have law enforcement powers removed from the Constable. If the town voters decide this to happen, the Constable whoever it may be will NOT be able to respond to any incidents in town by law. No matter what it is. The Constable would not be leagally able to do so. Keep this in mind when voting on the article. As the Constable I have been doing patrols in the town. Responding to alarms and motor vehicle incidents, doing VIN verifications, welfare checks and many other things to include call outs by State Police for numerous complaints. If the town votes to remove law enforcement powers this will not be an option. All response will be from State Police when they are able.

As I am sure everyone is aware by now, I keep busy with my full-time job with Windsor County Sheriff's Office. This keeps me very busy in the summer months and I am not around as much as I am in the winter months. I have less hours available as before and I am reducing my yearly stipends to reflect that. Likely you will see more of me during the winter season then summer times. My budget does reflect that change however, in addition my radar unit is more than 10 years old and has some issue and is budgeted to get replaced. This making the budget appear about the same as the current year. The radar unit is \$3600 and being paid for over the next three years.

Still will need to replace my two-way radios as soon as possible. The equipment fund has a long way to go for the replacement cost of \$6000 for radios. I can hope to find funds soon to replace these failing systems. I have tried for the last two years to get grants and have been denied mostly due to the fact I us my personal vehicle. I was able to replace my office computer this year with a laptop the town had acquired from grants. Additional hardware had to be purchased to make it work. Not what I really needed but I will make it work the best I can.

I am still available for the Town of Granville to do my usual patrols as I have been doing when available. You may also call me for any issues you are concerned about and I will get to you as soon as I can. I apologize for not getting back to people right away. I commonly get in late from work and deem it too late to call someone that time of the evening. Sometimes email is the best way to reach me. Remember if it is an immediate law enforcement concern you should always call the Vermont State Police @ 802-234-9933. They are still the primary Law enforcement for the Town.

I will be doing house checks, road checks, vehicle identification checks, emergency call outs when in the valley. I also have many other duties for the town of Granville in other positions I hold. I have served Granville for more than 30 years and look forward too many more.

Please contact me with any questions or concerns. I can be reached at (802) 767-4154 or by email **tritownps@yahoo.com.** 

Sincerely,

Mark A Belisle

Mark A Belisle

#### Website Manager's Annual Report - May 17, 2022

The Town website is an invaluable resource. Although the Town of Granville no longer holds meetings remotely, the town website remains essential for those who do not attend public meetings or simply want information about Granville. Recordings of past Zoom meetings remain available on the website, as well as meeting minutes and agendas. The town website also provides quick access to Town of Granville contact and hours, current posts, local and State government links, local businesses, and other information about the town. Having a town website promotes engagement of its citizens, tourism, and economic development. A town website promotes transparency, as Vermont Open Meeting Law applies to municipal websites. The expense to the Town to maintain the website is about \$200.00 yearly; an excellent cost-to-benefit ratio.

At the present time, the Website Manager is a volunteer position. The Website Manager reports to the Selectboard, provides oversight of the website, maintains the website to reflect current relevant information, and can train and utilize volunteer Town officers to perform routine postings. The work is generally autonomous and is done remotely, with no set hours. Some postings shall be made within certain timelines according to Vermont Statute. Short of technical problems, unintended errors or other unforeseen circumstances, postings are made within statutory guidelines. During the past year over 50 updates and posts were made to the website. According to the Google Search Performance Console, the site was visited approximately 3000 plus times in the past year. There were also thousands of impressions per month, which represents the number of times information from the site appears in search results viewed by a user.

In the past year, the Town provided a grant funded laptop for website management. Also, "Website Update" became a regular item on the monthly Selectboard meeting agendas. In the coming year, a version upgrade is planned, which should streamline the website, simplify posting and correct some technical issues. Adding a "Comments" page for public comment is also being considered. Ideally, the Town should have a back-up Website Manager, which this Website Manager is willing to train.

The Town of Granville is always open to requests for postings about Town related activities, additions of links, or suggestions for how to improve the website for its visitors. There are limits on the posting of links, which can be found in the "Privacy Policy" in the "About This Site" dropdown menu on the town website. Inquiries or suggestions can be sent to dmarilyn2323@gmail.com.

The Town of Granville website, www.granvillevermont.org, is your 24/7 link to your municipality. Thank you for visiting!

# **Assessor Annual Report**

There have been seventeen property sales between April 1, 2021, and March 31, 2022, with eight of those sales being vacant land. The selling price of homes and vacant land has averaged between 35 to 70 percent higher than their grand list value. In some cases, homes and land have sold for more than 100% of their listed value. Sales have not been isolated to one property class. Sales of single-family residences, camps, small and large tracts of land have been noted over the past two years.

Granville's common level of appraisal last year was 89.78 percent. The common level of appraisal is calculated by the state each year. This is done by taking the listed price of a property and dividing it by the sales price using the prior three years of property sales. Figures below 100 percent indicate property values are selling for more than the grand listed value. The state would mandate a reappraisal when this figure reaches 85 percent or below.

Based on sales between April 1, 2021, and March 31, 2022, I would not be surprised to see a reappraisal order from the state later this year. The towns last reappraisal occurred in 2008, 14 years ago.

Richard Favor

Town Assessor

# TRORC 2021 YEAR-END REPORT

The Two Rivers-Ottauquechee Regional Commission is an association of 30 municipalities in east-central Vermont that is governed by a Board of Representatives appointed by each of our member towns. As advocates for our members, we seek to articulate a vision for building a thriving regional economy while enhancing the Region's quality of life. The following are highlights from 2021.

### **Technical Assistance on Planning Issues**

Our staff provided technical services to local, state and federal levels of government and to the Region's citizens, non-profits, and businesses. TRORC staff assisted numerous towns with revisions to municipal plans, capital budgets, bylaws and studies. TRORC has applied for funding to assist seven communities review and revise their zoning to enable more housing construction.

## **Emergency Management and Preparedness**

TRORC staff continued to serve on the State Emergency Response Committee, providing state officials with key local information to assist emergency planning. TRORC continues to assist local emergency management directors to meet the needs of our first responders. Again, this past year, TRORC assisted several communities with updating their Local Hazard Mitigation Plans. Having FEMA approved plans is a condition for many FEMA programs.

#### Energy

TRORC assisted seven towns on Enhanced Energy Plans to save money for communities and further the State energy goals to meet 90% of Vermont's energy needs from renewable sources by 2050. In addition, TRORC sought and received general energy plan implementation funds to assist town Energy Committees on energy efficiency outreach and education.

#### **Transportation**

TRORC managed the Municipal Roads Grants-In-Aid program in our Region. This provides funding for towns to implement Best Management Practices (BMP) on municipal roads ahead of the state's forthcoming Municipal Roads General Permit provisions. Funding provides for projects including grass and stone-lined ditches, upsizing and replacement of culverts, and stabilizing catch basin outlets.

Specifically in Granville this year, we provided guidance on eligible activities under the funds received from the federal government related to the pandemic and we provided transportation grant support.

We are committed to serving you, and welcome opportunities to assist you in the future.

Respectfully submitted, Peter G. Gregory, AICP, Executive Director Jerry Fredrickson, Chairperson, Barnard

#### GRANVILLE VOL. FIRE DEPARTMENT

5051 VT Route 100 Granville, VT 05747 Tel.: (802) 767-3033

"Proudly serving Granville, Vermont and the surrounding communities since 1951"

Re: Fiscal Year Ending 2021

To: Residents and Taxpayers

December 23, 2021

Greetings:

The 2021 fiscal year marks the end of our  $70^{\rm th}$  year providing emergency services to Granville and our surrounding community. Through the dedication of our members and the tremendous support from our community we are stronger now than ever.

Last year we witnessed another rise in the number of emergencies our team responded to. A summary of these calls is included in the next page. We expect the trend to continue upward as the community continues to increase their reliance on the services we provide.

This past year, a significant push was made in recruiting and training in emergency medical services. We have welcomed several new members to the department which have increased our active emergency responders to 19. This fall we also held a Medical First Responder course increasing our medical response team by 13 for a total of 13 members. This more than tripled the number of active members who can respond to medical emergencies.

Recruiting remains a high priority for us. Our goal is to maintain an active roster of 30 with more on the auxiliary list. We have positions open for all types of responders and we would like the opportunity to speak with you about how you can serve your community in this unique way.

More recently, in the Fall of 2021 we purchased and placed into service a 1992 Pierce tanker with a 1,000 GPM pump and 3,000 gallons of water. The vehicle replaces a 1983 oil tanker which has served as our water tanker for about 14 years until it was taken out of service. The replacement vehicle will be paid for entirely through the fundraising efforts of our members.

As always, we appreciate your support. If you have any questions about the operations of the department or are interested in serving or helping in some way, please feel free to contact us.

Stay safe,

Danial Sargeant, Fire Chief;

Granville Volunteer Fire Department

# Corner School Resource Center of Granville VT

# Report to the Town March 2022

This year the support of Granville's voters, numerous local donors and generous foundations yielded wonderful, tangible results at the Corner School. Our Open House in August showcased our beautifully renovated space to the delight of the community and the glowing recognition of the state of Vermont's Historic Preservation division. Though the building is still undergoing renovation, it is already being used. Since our joyful opening, we have hosted a Vermont Coverts meeting, a book club, a remote location for LSAT test taking, and an art exhibition which was on display by appointment through early January. When the supporters of the schoolhouse first began this endeavor, the board believed that if we built it, the public would come. Despite operating in a global pandemic, that is exactly what has happened.

Our major renovation plans for the coming year include foundation repairs and weatherizing the attic and windows to ensure a comfortable and fuel efficient space in every season. This will allow us to have a variety of programming throughout the year including private events, adult education courses and after school programs.

Our winter fundraising campaign raised more than \$5000 from engaged community members and helped us match a grant from the state so we can finish our ADA work. The \$500 that we are requesting at Town Meeting is essential to demonstrate ongoing support from the town as we seek more grant monies for programming and renovations. If you can help personally with this effort, please send a check to P.O. Box 1, Granville VT.

Finally, we are actively seeking new board members. If you are interested - or know of a good candidate who would like to be involved - in programming, building maintenance, or fundraising, please email roger@vermontrecording.com.

The Corner School Resource Center of Granville, Inc is a charitable organization registered with the IRS as non-profit 501(c3). All donations are tax deductible to the extent allowed by law.. You can find our IRS filings here: https://apps.irs.gov/app/eos/allSearch.

CSRC is also registered as a nonprofit with the Vermont Secretary of State and complies with biennial reports filings, the latest of which was filed in 2022."

On behalf of the board, Kate Youngdahl-Stauss.Secretary

Roger Stauss, President Diane Eramo, Treasurer Mike Eramo, Ron Millard, & Clare Walker-Leslie, Board Members

#### WHITE RIVER VALLEY AMBULANCE

Thank you, neighbors, for your continued support of White River Valley Ambulance. We are a non-profit, professional emergency medical service and ambulance transport agency serving the towns of Barnard, Bethel, Braintree, Brookfield, Granville, Hancock, Pittsfield, Randolph, Rochester and Stockbridge, an area of over 500 square miles. We are designated as a Vermont Critical Care Paramedic service, the highest licensed skill level that the state recognizes. With our 14 full-time staff and a number of part-time staff we maintain two Paramedic level staffed ambulances 24/7, 365 days a year. From January 1, 2021 through November 30, 2021 White River Valley Ambulance responded to 1,600 emergency calls and transfers, up from 1,342 in 2021. This includes Advanced Life Support transfer between hospitals.

Training in emergency medical response is also an important part of our mission. We are a regional American Heart Association Training Center, providing CPR and First Aid courses to community members across central Vermont. We also provide advanced practice training to emergency response professionals and volunteers from throughout the state.

Funding for WRVA comes primarily from billed insurance and budget allocations from the towns we serve. Every town pays the same amount per capita. In 2022, the per capita amount will increase from \$61.00 to \$65.00, or 6.6%.

Looking back on 2021 and ahead to 2022, we are ever grateful for the numerous first responders and fire departments with whom we work with and who volunteer their time to help a neighbor in need. Your dedication and commitment to serve makes a difference in the lives of those who call for help. For that, we can never thank you enough. 3190 Pleasant St., Bethel, VT 05032 802-234-6800 www.wvra.org

Matthew Parrish, Executive Director White River Valley Ambulance, Inc.

#### BETHEL/ROYALTON SOLID WASTE PROGRAM

#### FISCAL YEAR ENDING JUNE 30, 2021

The towns of Bethel and Royalton jointly own a 22 acre parcel of land on Waterman Road in Royalton which has been improved to provide facilities for aggregation and shipment of municipal solid waste, recyclables, and a variety of hazardous waste materials. The site also contains the now-closed landfill which served area towns from 1970 to 1993. By contractual agreement, other member towns also use the waste management program, these towns being Barnard, Stockbridge, Rochester, Hancock and Granville.

Administration of the program has historically been managed by staff of the town of Bethel, under the direction and oversight of the Bethel and Royalton Select Boards. In August 2013, a new Inter-local Contract was approved and endorsed by the Bethel and Royalton Select Boards. This new agreement for administration of the solid waste program shifts management accountability and oversight from Bethel to the White River Alliance Board and the Alliance Manager.

In December 2020, the Vermont Department of Environmental Conservation approved the program's new "Solid Waste Implementation Plan" (SWIP) for purposes of managing solid waste and recyclables in accordance with the objectives of current local/state/national priorities. The SWIP is updated every five years.

Our facility operates under a license (or "Certification") which is renewed every 10 years. An application to renew was submitted to the Vermont Solid Waste Management Division in February 2014, and approval was issued May 7, 2014. The certification is valid until March 31, 2024. The former Bethel/Royalton landfill is also operated under a certification that is valid until changes are made to the original certification specifications. This certification provides for adequate monitoring of any residual effects stemming from the landfill use.

From July 1, 2020 to June 30, 2021 a total of 5,497.99 tons of solid waste was collected at the transfer station "tipping floor". This material was loaded into trailers for shipment to an in state lined landfill. Materials received for recycling totaled 746.64 tons and organics totaled 52.02 tons. These materials were directed to various facilities for processing. Various special wastes are regularly collected in addition to the usual recyclables. These include paint, fluorescent bulbs, used motor oil, antifreeze, lead acid batteries and electronic waste. All fees vary depending on the material involved and the current expenses to the program for handling the materials.

Collection events for **Household Hazardous Wastes** were held in July 2020 and April 2021 at the Bethel Royalton Transfer Station and August 2020 at the Rochester Town Hall Parking lot. A total of 329 families participated in the three events. These events provided a means for citizens of the member towns to safely dispose of materials, particularly those not normally taken at the facility such as pesticides, various cleaning compounds, acids, bases, contaminated fluids etc. The events are open to all member towns at no cost for up to 10 pounds or 10 gallons of material. Small quantities of materials generated by businesses are also acceptable at collection events, but a fee corresponding to program costs is assessed on business participants and an appointment must be made in advance. There will be two events in 2022. One at the Bethel Royalton Transfer Station on April 16, 2022 and one at the Rochester Town Hall on September 17, 2022. This will allow access for those towns not located near the transfer station to attend.

The Transfer Station participates in a variety of manufacturer-sponsored recycling programs including battery, electronics, paint, mercury light bulbs and mercury thermostats. These programs are free to the public. Please grab a brochure at the cashier's office or speak to an attendant regarding daily limits and covered products.

We consider the solid waste program to be comprehensive in the services provided to the public, and the program staff is well trained to provide advice or assistance.

The facility is open to the public on Tuesdays, Thursdays, Fridays and Saturdays from 7am to 1pm. It is closed on Sunday, Monday and Wednesday. Please visit our website for more information: whiteriveralliancesolidwaste.org
