**Invitation to Bid  
West Hill Extension Ditching and Culverts**

The Town of Granville is soliciting proposals from qualified bidders for a project on West Hill Extension involving ditching, berm removal, and drainage culvert replacements per the Municipal Roads General Permit standards. There are 4 cross culvert replacements to 18", and approximately 1975 ft. of stone lined ditching. Culvert inlets and outlets will be lined with 7" erosion stone. All ditching must be parabolic with a minimum width of 4 ft. where feasible, and road width permits. Seed and mulch or hydroseeding must cover exposed soils after construction is completed within 5 days before a rain event.

Contractor is responsible for all trucking of spoils and stone.

Stone will be hauled from contractor's choice.

Bids must be submitted to Bruce Hyde, Road Commissioner, Town of Granville (via email: [granvilletown@gmavt.net](mailto:granvilletown@gmavt.net) or to 4157 VT Route 100, Granville, VT 05747) no later than 5:30 p.m. Thursday, April 4, 2024.

The project can start after May 1, 2024 and must be completed by September 30, 2024. All invoices must be submitted and received at the Town Office by October 2, 2024.

The Town of Granville reserves the right to refuse any bid that it deems necessary for the best interests of The Town of Granville.

Please contact Ken Beattie, Road Foreman at (802) 349-3676 to schedule a site visit.
