### **Health Complaint at 410 Post Office Hill Road:**

- Bob presented his written findings when he drove by on Monday; May 4, 2026 (see attached).
- Mike indicated that there are several junk vehicles on the property along with the trash issue which has been an ongoing problem. The Town should definitely send the property owner a letter.
- Jared to provide his contact information for the person he deals with for his trash hauling business on the enforcement side. It is a health and environmental issue next to a brook and it appears they are actively burying the trash.
- Cheryl was instructed to draft a letter to be mailed to the property owner informing them of the environmental impact and need to stop and clean up the property. The Town is offering to assist in the clean up of the property and to have it remain clean. Bob would like to have it mailed certified signature required. Mark was instructed to speak with the owner(s) of the vehicles to have them removed.

### **Public Comment:**

Bob made the motion to adjourn the meeting at 6:50 p.m. and Jared seconded. All in favor.

Respectfully submitted,
